The REACT toolkit was first developed in paper form many years ago and we thank the following people for their contributions: David Glentworth, Laura Wainwright, Warren Larkin, Gillian Haddock and Claire Hilton. Also we would like to acknowledge Cultivate Creative for designing the illustrations for the first REACT toolkit.

A lot of work has gone into developing the new online version of REACT. We are indebted to input from many relatives and service users who have told their stories in our videos, and provided feedback on the development of the site. Our Relatives Advisory Group has been invaluable.

We are very grateful to everyone who has donated and shared their artwork for our site, particularly artist and REACT supporter Sue Flowers. Please do not copy any artwork from this site. If you would like to contact Sue about her creative work and illustrations visit www.greenclose.org or phone 015242-21233.

We would also like to thank Medical Role Players Ltd. for finding us talented actors to retell the relatives' stories, and a big thank you to Paul Dolby and Anthony Greenwood for filming and editing the videos.
